

Homework 11: Finale

Due by 11:59pm on Sunday, May 5

This homework has nothing you need to submit to Gradescope. Rather, there are 3 surveys you need to fill out.

- Complete the 61A end-of-semester survey (<https://forms.gle/vY3xWvk71tpF8x8K9>),
- Fill out the UC Berkeley course evaluations (<https://course-evaluations.berkeley.edu/>), and
- Vote (<https://forms.gle/dTzYHR23ZMDQ8URp6>) on your favorite Scheme art ([/~cs61a/sp24/proj/scheme_gallery](https://www.cs61a.org/sp24/proj/scheme_gallery)).

If 80% or more students (computed as the fraction of the number of students who took Midterm 2) complete all three, then all students who complete this homework get an extra credit point!
